In order to log into the **Online Student Center**, you will be asked to enter your **Student ID Number (WITHOUT spaces)** and your password. The **FIRST** time you log in you will use the password provided to you by LRU which was in the information sent to you when you were accepted. You will be forced to change this initial password for security purposes - **this new password will then be used each time you login**. We hope you enjoy the new registration system and sincerely appreciate any feedback you may have.

Please note passwords are case sensitive.

If you can not remember your password please call LRU at 770-484-1204 during business hours and we will help you correct the problem.
