Site Login

In order to log into the **Online Student Center**, you will be asked to enter your **Student ID Number (WITHOUT spaces)** and your password. The **FIRST** time you log in you will use the password provided to you by LRU which was in the information sent to you when you were accepted. You will be forced to change this initial password for security purposes - **this new password will then be used each time you login**. We hope you enjoy the new registration system and sincerely appreciate any feedback you may have.

Please note passwords are case sensitive.

If you can not remember your password please call LRU at 770-484-1204 during business hours and we will help you correct the problem.

Grade information is available in the **Information** column

A list of courses is located in the section above for the student's degree program.
Courses completed are listed in black and courses that have not been taken are listed in red.

Click on the **>>** next to the section name to display the **FULL** list of courses.

Courses that are required have the word **Required** next to the course.

Courses that do not have the word required next to them mean students have the option to select which course(s) they want to take. For example students in the BAR degree have the option to take TH470 or TH402.
